Our Vision: Expecting Excellence and Innovation, Honoring Legacy, and Embracing Partnerships.

Our Mission: Expecting Excellence and Integrity from all, developing Innovative students, strengthened through Partnerships with parents and the community.

The DPI transferred the 2021 Transition Incentive Grant payments based on the 2021 Indicator 14 Post School Outcome survey results. The Special Education Transition Incentive Grant is a categorical aid program created under 2015 Act 55 to incentivize positive post-school outcomes for students with disabilities. The state law specifies that each district is eligible to earn up to \$1,000 for each student whose response to the Indicator 14 survey indicates that they met the specified postsecondary education/paid work outcome criteria. We were awarded \$1,912.85 based on the 2021 Indicator 14 Post School Outcome survey.
